**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Don't let the humongous phone companies throttle the small competitors. Everyone needs equal access to the Internet. Circumstances of location and limited choice is bad for consumers and just foments dislike for the monopolies. Competition improves service by encouraging innovation instead of stagnation and customer resentment.
